Launch Your Career in
RADIOGRAPHY
AT ALLAN HANCOCK COLLEGE!

NEW PARTNERSHIP WITH SBCC!

Prepare for a rewarding career in radiography with Hancock's new Pre-Radiography Certificate of Achievement Program. This foundational program allows you to complete all required coursework locally—both for Hancock's certificate and for transferring into Santa Barbara City College's (SBCC) Associate in Science Degree in Radiography. From radiologic technologist to MRI specialist in settings like hospitals, clinics, and imaging centers, Hancock's Pre-Radiography certificate program is your first step toward a bright future in healthcare.
